# SING A RAINBOW

"Red and yellow and pink and green..." we feel a song coming on, or at least we would if these landed in our laps. Gifts just don't come any better than Annoushka's dazzling, rainbow-bright stacking rings in amethyst, blue, yellow and orange sapphire and tsavorite - wear them piled high for the ultimate effect. So, other than the boyfriend, where's a girl to direct her thanks? Try Annoushka Ducas (the Links of London founder) who launched her eponymous fine jewellery line back in July - Annoushka, thank you.

Eclipse Rainbow Eternity stacking rings in 18ct white gold with orange sapphire, £395 each, Annoushka.com (020 7881 5828)
